At present these are senior Asst Commissioners

If the grade of a Deputy Commr is made only the Ml Commr to be appointed for the supervision will also be of the grade of a D.C for consideration as whether the Ml Commr to be appointed for the Bangalore City Mly should be of the grade of a D.C or of a senior Asst Commr

Having regard to the fundamental resources of the Mly, it would perhaps be convenient if an officer of the status of a senior Asst Commissioner is appointed as a temporary measure to begin with. If this proposal is approved, either of the above officers may be appointed as

such or any other post of that grade may be appointed as for Consecutive terms

4) Termination of the appointment of a chief post & the appointment of the present incumbent of that post as a Revenue post

There is at present a chief post of the grade of an Assistant on Rs 750-$\frac{25}{2}$-250 plus 30 DA + 5% CA As soon as a ML Court is appointed, the appointment of the chief post will terminate under Sec 239 (3) of the Act

We recommend that the present chief post may be appointed as a Revenue post in the ML & a revenue post in ML is necessary But the pay attaching to be given to that post is a matter for the consideration of the ML whether a Revenue post of the status of an Assistant is necessary is a point on which we express no views of our own

or of a lesser grade

ascertained whether it would be necessary
to appoint an officer of the district for
Amilcar otherwise there is a MLC case in
Consideration for the appointment of MOH,
the Revenue duties are of the charge of
Amilcars for this case it the central Govt,
whether the MLC could indicate such
extra copre as to be taken into Consideration
Hence decision may perhaps be deferred
on this question till the MLC passes an appropriate
resolution in this behalf.

5) Appointment of a Health Officer
and an Asst Engineer

(a) Sanction has been accorded for
the appointment of a third class health
Officer for this MLC on pay Rs 150 to 10 46
on Rs 75-5-100-10-150 + As 60 per mensem
Recommends the appointment of a second
class Health Officer on Rs 150 - $\frac{25}{2}$ - 300
This is necessary having regard to the
fact that the Dharmapuri Town is an
industrial Centre with a number of
factories in and it is expanding
The Director of Public Health will

have to be reported to Post a completed
Health Plan, after the Post is transformed
Municipality (by virtue of the powers under the subject
to approval by BS 195-to-175 Mr C
suggest that this post may be abolished
and an Asst Engineer in grade 200-400 Rs
maybe sanctioned. If this is approved, the CE Jodhpur
will be required to post another to work under the Manager
Before sanctioning the above posts, have the
page 145 to be taken by the Govt under Sec 234(A)(a)
of the Act to make the above statutory appointments
that has been done in the case of Bhiwadi
Municipality the necessary action will be
taken to draft a note accordingly.

Under the provisions of Sec 23(6) of the
Act, the D.C Chittaurgarh Distt will have
to assume charge of the duties of the
President of Municipality upto the
immediately after its Constitution as such
i.e from 1.1.1948 and continue as
such till an elected President -
if the Govt so direct on the report
of the M'cl - takes charge of
his office as President of the M'cl

46) The appointment by a municipal commission will not in any way minimize the work of the Director of the District under the provisions of this statute unless the elected President enters upon his duties as such

97) In connection with the constitution of the Divangere Town Municipal Council into a City Municipal Council from 1st Jany 1948 as already ordered the following points are for consideration and orders

(1) Strength of the Municipal Council

The prescribed strength is 20 elected and 5 nominated

Regarding nominated members, proposals will be called for from the Deputy Commissioner, as to how many of them should be official and how many non-official On receipt of this information, necessary orders might issue

(2) Election of Non-official President

~~Unnecessary~~ The receipt of a resolution from the Municipal Council after its reconstitution will be awaited before orders are passed in this matter, under Section 23 (2) (b) of the City Municipalities Act The Deputy Commissioner will be asked to obtain and submit the resolution

(3) Appointment of a Municipal Commissioner

An officer of the status of a Senior Assistant Commissioner's ~~grade~~ may perhaps be appointed as unicipa Commissioner for the present. It may not be possible for the Municipality to have an officer of the Deputy Commissioner grade as such an appointment might prove too costly

Any one of the two officers named by the Deputy Commissioner referred to above, or any other suitable officer of the Senior Assistant Commissioner's grade may be selected for the post ~~concerned~~ The Deputy

to

Orders in this respect have to issue immediately

NOTE- Contra Sheet 2/11/47

Commissioner desires that such an appointment should be made very early so that the officer so appointed reports himself for duty at Davangere on 1st January 1948

(4) Termination of the appointment of the Chief Officer and creation of the appointment of a Revenue Officer in its place and appointing the present Chief Officer himself a Revenue Officer in that place :—

A decision in this matter might be taken after obtaining full particulars from the Deputy Commissioner, Chitaldrug as suggested in para 95(4) of the Assistant Secretary's note above

(5) Appointment of a Health Officer and an Assistant Engineer

No there is a third class Health Officer

For the reasons stated in the above Assistant Secretary's note above, the appointment of a 2nd grade Health Officer at Davangere appears to be necessary needful further action will be taken if such an appointment is sanctioned on Rs 150-25/2-300 The Municipality has made the necessary provision also If approved the Director of Health will be asked to post a 2nd grade Health Officer to Davangere immediately.

Similarly in the present place of a Surveyor on Rs 125-10-175, an Assistant Engineer in the grade 200-40/2-400 may be appointed in consultation with the Chief Engineer for Irrigation who will be requested to post an Assistant Engineer to the place immediately and to withdraw the present surveyor.

having its own elected President after its reconstitution as a City Municipal Council, I think it is desirable that the City Municipal Council should have the privilege of electing its own President, but orders will be passed on receipt of a resolution from the reconstituted Council to that effect.

103) As regards the appointment of a Municipal Commissioner, two names are proposed and I select Mr K Chikkanarayanaswami, B Sc, who is now doing duty as Secretary to the Board of Management, Mysore Iron & Steel Works, Bhadravati.

104) Regarding the appointment of the Health Officer, in Government Order dated 1st October 1946 it has been ordered that a third class Health Officer be appointed but the Deputy Commissioner now recommends that a Second Grade Health Officer be appointed As the Davanagere Town is a growing City and also an industrial centre, I agree with the Deputy Commissioner and order the appointment of a Second Grade Health Officer for whom provision has already been made in the Davanagere Municipal Budget As regards the Engineer, the Deputy Commissioner recommends the appointment of an Assistant Engineer in grade 200-40/2-400

105) The Director of Public Health and the Chief Engineer concerned may be requested to post competent officers to the posts respectively

106) Under Section 234A of the City Municipalities Act, action may be taken and a Notification issued
